KPS iPad Parent Information Evening

27 November 2014
7PM - 8PM
“There’s nothing magical about any tech tool. Real magic rests in the minds and hearts of teachers using digital tools to introduce students to new individuals, ideas and opportunities.”

Digital portfolios provide an authentic platform for students to actively engage with and develop 21st century digital literacy skills such as, communication, critical thinking, reflection and curating content.

Use technology as a constructive medium to allow students to do something at a level of complexity otherwise not possible without the technology.
Our Philosophy

- Citizenship
  - Life and career
  - Personal and social responsibility
