KPS iPad PARENT WORKSHOP

13 March 2014
7.00pm-8.00pm
Learning intentions

To better understand iCloud and its functions

To become familiar with the different settings

To enable/disable different safety restrictions in settings

To boost your confidence with most common apps used at KPS

To become more aware of the eSmart cyber safety accreditation we are working towards
It's only a tool, but a valuable one

There's nothing magical about any tech tool. Real magic rests in the minds and hearts of teachers using digital tools to introduce students to new individuals, ideas and opportunities. Ferriter
Central location that allows masses of data from all over the world using multiples devices to be stored in a 'server farm.'

What is the iCloud?
