During Term 1 the level 4 students have been participating in a daily fitness program called ‘Fit 15’. This has been lead by the year 6 ‘Physical Action Team’ leaders.

In house groups, students have been involved in a variety of activities. These include:
- Team Ball games
- Relay races
- Tag games
- Hand eye coordination activities
- Cross country / stamina running

The year 6 leaders have done a fabulous job. Most of the leaders arrive before school to set up the equipment for their group. They are organising engaging activities that level 4 students have thoroughly enjoyed.

We look forward to continuing with this program in Term 2.

**Other Level 4 Sporting events to look forward to in Term 2**
