

SENIOR SCHOOL INTERSCHOOL SPORT

21st FEBRUARY

On the 21st of February the tee-ball teams went to Rathsmine Reserve. We played against Auburn Primary School. The two tee-ball teams did a great job. The girls had a very close game. It was a 14 all draw. We think the person that stood out was Genna. She did some great fielding and she was on 2nd base and caught two people out. I think everyone did a really good job. The boys did a good job too. Their score was 28 to 29 and they WON!!! Everyone did a really good job. Johbert smashed the ball right out of the park and got numerous home runs along with Huntar, Robbie and Ethan.

On the 21st of February, the rounders boys played Auburn Primary at Victoria reserve. The scores were thirteen to eleven and we won. The best player was Ethan because he dived for the ball and caught it. The team's favourite moment of the game was when the ball rebounded off Ethan's shoe and Will caught it, Ethan felt amazing when Will caught the ball. Both schools showed good sportsmanship.

An outstanding player from the girls team was Pattiola. A highlight of the girls team match was our consistent serving. Two great players from the mixed team were Bobby and Mishu.

On Friday the 21st of February, Kanga boys played Auburn Primary school. The match was held at Kew Primary School on the oval. The conditions were terrific for a Kanga Cricket match, drizzling with rain on a muddy pitch. Unfortunately we lost 107-108 but everyone played extremely well! Our highlight of the day was when Seb took a one handed catch. It was a ripper of a catch!! Our players of the match were Cooper with 3 amazing catches, Seb G with a great one handed catch, Harry B with 2 wickets & Aston with a great wicket. Another great thing about the match was that everyone had great sportsmanship even though we lost. Better luck next time Kew!!
