Message from the Principal

Wow – we made it through to the end of a long and action packed term. Looking at our staff and students I think we only just made it and the holidays have come at the perfect time.

Overall I have been really pleased with our first half of the year. We had an amazingly settled start following our transition program and then used this momentum over the first two terms to continue our whole school improvement journey. We have set some ambitious goals this year but overall we are making significant progress and we look forward to continuing this for the remainder of the year.

There have been many highlights for me this semester:

- working with Sheena Cameron, Michael Ymer and Hamish from No Tosh who are all outstanding professionals in their fields of expertise and who have engaged our staff so effectively as we focus on building our teacher capacity
- our staff working in Professional Learning Teams to track student achievement data, focusing on the impact their teaching is making and then developing targeted programs and curriculum around the needs of our students
- the camps, excursions and events organised as part of our extensive extra-curricular programs across our school
- several home school partnership evenings e.g. Write Night and the session with Michael Ymer
- Year 6 Billycart Leadership Program
- Richmond AFL player visits x 2!
- House sports – swimming and cross country (with Athletics on the way!)
- success at the Kew District Cross Country carnival
- terrific support from our PTA with the Peppercorn BBQ, Mother’s Day stall, lunch and of course, the Lap-a-thon
- Library book fairs and the many other events in our library program including teacher PD’s, Premiers’ Reading Challenge and visiting authors
- traveling to Kew High during Kewriosity sessions to experience science in a high school lab
- the whole Kewriosity program and sharing this at the special assembly last week.
- **AND OF COURSE THE COMPLETION OF OUR NEW SCHOOL OVAL!!!**

And so much more!
The biggest highlight though is the continuous support of our school from our parents, carers and families, the work of our dedicated staff and of course the engagement of our students. For me, walking around our school each day is the biggest highlight because I see so many good things happening and I am always greeted so warmly and enthusiastically.
Both Robin and myself had a great time reading the student reports for Semester 1. We were impressed by the effort that our students have put into their learning. Whilst I kept a close eye on the academic outcomes, I also looked carefully at the assessment of each student’s effort and attitude. To me these are the most important indicators of future success and being able to fulfil potential.

Be sure to read your child’s report with them and celebrate their successes. This year we have also included a parent tips sheet from Michael Grose (Parenting Ideas) and a parent response to their child sheet which might assist you to provide some constructive feedback to your child. Ask them what they think they need to work on, and perhaps ask them if there is any way in which you can help them to reach their goals.

Well done to all of our students on their hard work and well done to our staff team for writing them and getting them ready to send home.

As previously mentioned, this will be the last time we send home paper copies. In future, you will access your child’s reports via COMPASS. For many of our parents this won’t be new as Kew High and other schools using COMPASS already do this. Using this new system also meant that I was unable to include a short comment or personally sign each student report as I have done in previous years.

Thank you to Melanie Eades, Belinda Holmes and our PTA team for organising a very successful disco last week. There was a massive attendance and from all reports it was lots of fun.

In recent weeks there seems to be a number of students not feeling well with things like tummy upsets. Please be mindful of this and if your child is not well keep them at home. This helps reduce the spread of any bugs and also ensures that our students can return to school fit and ready to learn. There is nothing worse than having to be at work or school if you need to be home in bed resting!

As mentioned, I enjoy walking around the school and seeing our students engaged in their learning. One thing I have noticed recently is the number of students who are wearing a jacket or jumper that is not part of our school uniform. We are fortunate to have such a variety of uniform options to cater for all types of weather. It is important that all of our students are part of our school team and wear our school uniform properly and with pride. Please ensure that your child wears the correct school uniform each day. This is part of our school uniform policy.

I have included a Term 3 calendar with this newsletter. This provides families with a list of dates for the different activities we have organised next term. We actually run a very comprehensive school calendar on Google which our staff use to keep everything on track each day. Our community version is more simplified and does not contain details of all the different meetings and other school administrivia!

The most important date to remember is:

- **Thursday 4th August - Variation to School Hours Day.** On this day students only attend school from 9am until 12pm. We will then be running individual 3 Way Conferences for students and their parents /carers from 12.30pm until 7.30pm.

One of the great things about our school is the variety of both extra-curricular programs and also what we call our “optional extras” program. Our optional extra’s program includes Mandarin lessons. These are available after school on Mondays and Tuesdays in the library. Please see more information about our Mandarin program in this newsletter.
As we continue through the school review process this year, we are taking the opportunity to review the school vision and values. In this way we can make sure that the future goals, targets and improvement strategies are aligned with our vision.

If you would like to comment or provide feedback in this area, a 2016 Vision and Values survey has been set up via the following SurveyMonkey link: https://www.surveymonkey.com/r/9GDVNY2

The link will be open until the 15th July.

ENJOY THE HOLIDAYS!

I hope that all of our families get some time together to enjoy life away from school routines and come back refreshed for Term 3!

Be Worthy!

Message from the Assistant Principal

This is my last newsletter article for the term and we all know what a busy term it has been! If you have been reading the newsletter articles throughout the term, you would have a firm idea of how much learning and teaching takes place in any one term. This term being no exception and it has also been a term where teachers have had to familiarise themselves with our new Compass reporting system.

Yesterday, your child’s report was sent home and we would like parent feedback about this new reporting format. The work teachers put into these reports is immense and not only do they look at your child’s work and their assessment results but they moderate this work in their teaching teams. Following this process they are able to report about your child, in reference to where they are on the AUSVELS standards. It is long process and the teachers certainly pay due diligence to this task. Please share this report with your child completing the parent comment sheet as you go.

In last week’s newsletter I mentioned visiting the Lost Property cupboard outside rooms 12 and 13 to retrieve any articles of uniform your child may have misplaced. You have only two days left to find those missing pieces because all remaining articles will be laundered over the holidays and then sold in the second-hand uniform sales.

Finally, I would like to thank all our staff: office staff, classroom based aides and our teachers for all the hard work they have put into this term to make it so successful. They do deserve a well-earned break and likewise do our students and their families. I hope you all get to enjoy some much needed down time, spending quality time with family and friends. Stay safe and please return to Kew PS on Monday 11th July, in readiness for another amazing term.

Robin Grace.

**DISCO Friday 17th June**

The school Disco held last Friday night was a great success!

We had over 200 kids busting their best moves across the gym/dancefloor and we raised around $2000!

The PTA would like to thank Belinda Holmes especially for her time. We also thank the parents who both offered their time to serve drinks and patrol doorways, etc.

The glo-toys were a huge success again, selling out most of our stock!

Our DJ - Rachel, from Bop Til You Drop - was a fabulous hostess who had boundless energy and led our kids through dance moves, karaoke and even a dance-off with the grade 3-6’s.

regards,
PTA

**Lost Property**

Please check lost property before the end of term for any items that your child may be missing. All remaining unlabelled uniform items will be donated to the second hand uniform shop. All other items will be donated to the local op shops.

Library News

This term in the library we had a very successful Scholastic Book Fair. Plenty of books were purchased and as a result the library was able to add some great books to the collection.

Years 1 & 2 did a history activity and Read the World a story during library lessons as well as reading lots of picture story books and 'book tasting' early chapter books.

This week Years 5 & 6 were visited by author/comedian Oliver Phommavanh and he had us all laughing. He encouraged students to read constantly to improve their writing – as a student Oliver was a fan of Morris Gleitzman and Paul Jennings.

We are half way through the Challenge. So far 3,300 books have been read by Kew students – that is a fantastic amount of reading!

Many thanks to the parent volunteers who help in the library – Kath Phelan and Cath Della Bosca who do hours of shelving each week and Bethanie Clarke for all things creative. If anyone has time to help with shelving books next term, your efforts would be greatly appreciated especially on Monday or Tuesday – full training provided. Please email woolven.ruth.m@edumail.vic.gov.au
