Guest Speakers

A huge thank you to all those family guest speakers that have taken the time to come to Kew Primary School to share their personal family history stories to all the prep children. They have thoroughly enjoyed these and have been very curious by asking questions of all sorts.

Kew Library Visit

To all parent helpers that have assisted in some way -

Thank you
Sally Rippin – Author visit

Last Thursday Sally Rippin came to Kew Primary School school and spoke to all the classes about where she gets her ideas from. The students enjoyed the books that she wrote and shared with them. The book parade on Friday 23rd August at assembly was another great day. The students enjoyed it immensely.

What’s on for the preps!

In the morning of Thursday 19th September there will be an incursion in the Junior School hall for the preps. Eva Wong with her pet Marli from ‘Responsible Pet Education Program for Schools’ will talk to the preps about being a responsible pet owner. In the afternoon Jan ‘Yarn’ Wositzky, a cultural performer will perform songs with the preps and tell of his family and home. Students will write a song about theirs. Cathy Pataki, the school nurse will be at Kew over the next few weeks visiting the preps for a general health assessment.

Prep students are excited about beginning their family history projects and cannot wait to share them with the rest of the class.

On the last day of term, Friday 20th September, a special CARE celebratory event is planned. The students will be involved in a tabloid sports day with their CARE group followed by a BBQ lunch. Parents are welcome to attend to watch the games and bring a picnic lunch.

As a culmination of our inquiry unit there will be a special dress up day for prep and grade one and two students on Monday 9th September. Students to come dressed in clothing from the ‘olden days’ and experience some old schooling rituals.

REMINDER

Please return swimming notices and payment before the end of term.
