- Tue 4: Second hand Uniform 3pm
- Tue 4: Working Bee Planning Meeting 7.30pm
- Tue 4: PTA Meeting 7.30pm
- Mon 10: Public Holiday
- Thur 13: iPad Parent Workshop 7pm
- Sat 15: BrickZone Postponed
- Sun 16: Working Bee 9am
- Mon 17: Year 4 Camp 17-19th
- Mon 17: Year 3 Swimming commences

**Apr**
- Thurs 3: Summer Gala Day Years 5 & 6

---

**Message from Principal**

Hi Kew,

Thank you to all the students, parents and teachers that completed their version of the survey over the past few weeks. It has been interesting reading and this information has assisted me in developing our Annual Implementation Plan (AIP) for this year. It has also given me some more direction as I plan for the next 5 years.

I will provide a very brief summary of the parent and student surveys through our school blog next week and then also outline some of the key actions in our AIP in the newsletter in two weeks time.

---

**Voluntary Payments 2014**

Shortly a letter will be sent home to all parents outlining our voluntary payments for this year.

I have included a brief summary of how school finances operate in the “Clued Into Kew” section of this newsletter so that you can get a better understanding of: how we manage our school, what money is provided by the government, the importance of our voluntary contributions, where this money is allocated (in particular the Library and ICT levies) and what funds we need to raise as a school.

As a whole school community we all appreciate your support in prompt payment of our voluntary fees. This assists us to finalise school budgeting and planning for this year and ensure that all of our programs can be resourced effectively as we strive to provide the very best learning environment for our students.

Our school compulsory and voluntary payment structure will be reviewed during this year and I anticipate several changes for next year. Our aim is to make the process easier for parents to manage through combining the request for these at the end of this year for 2015.

---

**Kew Festival**

A reminder that our school will be involved in the Kew Festival this year. The date is set for Saturday 29th March at 10.00am. As outlined in the bulletin last week the festival will be in a different format with a group dance replacing the traditional parade. I encourage you to attend and show your support for our school and the local community. Our students will be making and decorating a bird mask (as part of the ‘Wings Over Kew’ theme) and more information will be outlined shortly by the Ambassadors Student Action Team.

---

**Term Dates 2014**

Term 1: 28 Jan - 4 Apr
Term 2: 22 Apr - 27 Jun
Term 3: 14 Jul - 19 Sept
Term 4: 6 Oct - 19 Dec
Student References

I have had contact from a couple of parents seeking clarification about our decision to only provide verbal references for students enrolling at other schools. The reasons for this decision are as follows:

- It is often hard for a teacher to say no to a request or for a parent to accept this answer (especially if the teacher has said yes to another student) and in the interest of equality and fairness the staff feel that a consistent approach is best.
- Our staff are working particularly hard and have many extra demands being placed on them. I need to ensure that their time at school is maximised and focused on delivering our action plan for this year.
- Our school report documents act as our references for students.

I acknowledge the timing of this decision may not be convenient for some parents but I believe it is in the best interest of the school at this point in time. I have made contact with one of the schools seeking written references to outline our position and to make alternative arrangements with them. I am currently yet to hear back from them. I am also willing to make contact with any other school and discuss this matter with them. In this way I hope that schools can work together on a model that is manageable for all the different sectors and is more consistent with how references are provided in other environments.

School enrolments 2015

Believe it or not we are now starting to forward plan for 2015! Soon I will be sending a letter home to all families with younger siblings that may be starting school next year. It will be important for you to indicate to me that you have a child starting in 2015 and completing an enrolment form as early as possible. We have arranged several school tours later this term and early next. The dates are in this newsletter and on our website. If you know of any family that is interested in coming to our school please let them know about these tours.

Part of our planning for next year is to reshape and extend our transition process. This will be a focus for our students entering Prep but also all other year levels including our existing students as they move into a new level. Our process will begin much earlier than in past years and also involve several half day transition sessions later in Term 4.

Our Prep transition program for 2015 will include students attending the specialist classes and also several sessions of our new “Step Into Prep” program. There will be more news about this later in the year.

See you at our assembly at 3pm Friday. We have a couple of special visitors this week.

Be Worthy

James Penson

Principal

Kew Primary School
Message from Assistant Principal

As many of you would be aware that our house colour polo shirts were a welcome addition to our uniform items and it is lovely to see the students wearing them when they have a Phys Ed lesson or on House Athletics days. The bright colours certainly stand out in the playground. Personally, I also love the rest of our school uniform, the two shades of blue are very refreshing and each piece is practical. Also, I will let you into a secret of mine, blue is my favourite colour and that is why I need to stress that we have a uniform policy that was ratified by School Council in 2013. Please make sure your children are wearing Kew PS colours when they come to school and let’s develop a real pride in our school uniform.

During this week a majority of staff members took the opportunity to attend professional learning sessions held at a number of other Boroondara Schools. These sessions are free, which is a bonus but it is also an opportunity to visit other schools, meet other teachers and get involved with professional dialogue. Just walking into another school sparks ideas for different classroom set ups, ideas for displaying students’ work in those rooms and I especially look out for artwork displays. I visited Balwyn North PS to hear Heather Mosley talk about ASD students, what can trigger their responses and how best to teach these students. Heather did come to Kew PS on two occasions in 2012 to take similar sessions with the whole staff and she was as informative and as passionate as usual.

My final article is to remind everyone that our next working bee is on Sunday March 16th and if you can spare some time to come along your efforts will be much appreciated by the students and staff alike. The school certainly looks very spruced up after any of our working bees and we all know what many hands can achieve.

Robin Grace

Kew Primary School Blog

Have you ever wondered how decisions get made about our school? Does the Principal make all the big ones, or does School Council have a say? And have you ever thought you might like to be more involved with the school? If you do, there’s a host of opportunities waiting for you. Thanks to our guest blogger, Kath Phelan, for her fantastic post on the ins and outs of school governance. Check it out:

Cheers, Jacqui Tomlins

iPads @ KPS-Parent Workshops

Dear Parents/Caregivers,

Kew Primary School recognises the need for students to be safe and responsible users of digital technologies. We believe that explicitly teaching students about safe and responsible online behaviours is essential, and is best taught in partnership with parents/caregivers. Furthermore, developing a deeper understanding of how your child is using technology in the classroom can greatly aid in their learning outcomes.

Kew Primary School will be running iPad workshops each term, open to all parents of Kew Primary. The first workshop will be on Thursday the 13th March, in the BER and will run from 7.00-8.00pm. We also invite your child along so you can learn alongside them. To help you to make an informed choice about which workshops you would find most beneficial, I have included a brief outline of each below.

**WORKSHOP DURATION AND FREQUENCY:** 1 hour per term

**WHERE:** BER

**SCOPE OF WORKSHOP TERM 1: (THURSDAY 13TH MARCH 7PM-8PM)**

- **iPod basics** - setting up your iPad, in app restrictions, disabling certain settings, enabling age restrictions, icloud and iwork apps-pages and keynote.

**SCOPE OF WORKSHOP TERM2: (THURSDAY 12 JUNE 7PM-8PM)**

- **Evernote** - how this app is being used to create digital portfolios

**SCOPE OF WORKSHOP TERM 3: (THURSDAY 4TH SEPTEMBER 7PM-8PM)**

- **esmart** - information about cybersafety and how KPS is working towards this accreditation. Further information at [https://www.esmartschools.org.au/Pages/default.aspx](https://www.esmartschools.org.au/Pages/default.aspx)

**SCOPE OF WORKSHOP TERM 4: (THURSDAY 27TH NOVEMBER 7PM-8PM)**

- Showcase of learning through iPads.
- Provide relevant and appropriate documentation and information for 2015. eg: user agreements.

We hope to see you and child at our first workshop on the 13th March. Don’t forget your iPad.

Regards,

Andrew Wood

Thursday 8th May - 2.30pm
Monday 12th May – 9.30am
Tuesday 20th May – 2.30pm

Come to the general office and join the tour with
Mr James Penson the Principal.
NO bookings required.
Welcome to another edition of Clued Into Kew!

This week we unpack some basic information about how school finances operate and how the school utilises compulsory and voluntary payments.

A school has two revenue sources which support its operation on a day to day basis: the Department of Education and the parents and carers of the students enrolled at the school. Government money is allocated via a formula based on the number of students and the economic situation of those students as identified by the type of employment information that parents complete at the time of enrolment. This money is split into two amounts. A large amount (which for Kew PS is over 3 million dollars per year) is managed by the principal and used to pay the annual salaries of staff on ongoing and contract positions. A smaller amount (approx. $300,000 for Kew each year) is paid to the school via quarterly amounts. This money is used to assist with the school to pay for cleaning contracts, utilities and scheduled maintenance tasks.

The money provided by DEECD is predetermined each year and is set at an amount that does not provide the school with any additional funds to complete any new projects or support new programs or facilities.

Parent money is collected via compulsory and voluntary components. The compulsory component currently covers student supplies and resources which are used each day in the classroom and specialist curriculum programs. It currently also includes an excursion fee. The voluntary component of which there are 4 different amounts: Library Trust Fund, Building Trust Fund, ICT (Information & Communication Technology) and Grounds is then allocated in the school budget to support other programs and help to make up the difference between some of the additional costs the school has each year. The school currently budgets for the collection of 50% of these voluntary fees. This percentage only allows the school to maintain some of our existing resources. If more parents are able to pay this portion of the school fees then the school will be able to purchase new equipment and extend programs and facilities.

An example of how two of these voluntary costs are allocated is as follows:

The Library Trust fund directs money into resources including books, computer equipment and furniture in the library. This money is also used to support other ICT resources that can be utilised in the library and in other classrooms such as ipads. As such this money is allocated into both the library budget and ICT budget for 2014.

The ICT levy provides the school with a valuable but only a small portion of the money needed by our school. The ICT budget pays for existing computer leases, the maintenance of existing infrastructure such as wireless points and additional tech support time as DEECD only allocates us 9 hours of time per week. A 50% collection rate does not provide enough funds to purchase new devices or to upgrade current equipment.

If you would like more information about compulsory and voluntary payments please contact me at the school.

James Penson
District Swimming

On Tuesday the 18th February 2014 the Kew Primary School Swimming team competed against Kew district primary schools at the District Swimming Carnival, held at Bialik College.

The team consisted of Phoebe Witehead, Tania Gole, Helen Alonso, Patiola Monu, Ruby Backwell, Isabella Sneyard, Lucy Skelton, Sam Thomson, Will Stevens, Seb Graefe, Ethan Coleman, Robbie Beckworth, Samuel Grant, Ben Hindhaugh and Matthew Odicho. Congratulations to all the Kew Primary School competitors they were a credit to the school displaying a high skill level and positive attitude. The following students will now compete at the Division Swimming event at Monash Aquatic Centre 27th February.

- Robbie Beckworth – 2nd age 11 boys Backstroke
- Robbie Beckworth, Seb Graefe, Will Stevens, Samuel Grant - 2nd age 11 boys Freestyle Relay

A big thank-you to the parents that drove the students to the pool on the day and helped our students get organised for their events while I marshalled.

Clare Connor

Kew Primary School - Working Bee

Thank you to everyone who came along and made last year's working bees such a success. We hope to make them even bigger and better in 2014!

Our next working bee will be on **Sunday 16 March 2014 from 9am.**

Prior to the working bee we will have a planning meeting **Tuesday 4 March at 7.30pm** - please come along if you have an interest in contributing to our planning. Everyone is welcome and especially parents/carers with specific skills to offer. It is also a great opportunity to share ideas to enhance our school.

We'll meet in the shelter shed - come in through the teachers' carpark if the Peel Street gate is locked.

Look forward to seeing you there.

BRICKZONE (Sat 15th March)  POSTPONED but stay- tuned!
OSHClub News
Before School / After School Care Program

Program Update

WELCOME TO OSHCLUB 2014!

We hope everyone has settled back into the school routines and the Preps are enjoying their first taste of school. This year our goal is to make OSHClub even more fun by getting as many suggestions as possible from the children as well as the parents. We offer healthy snacks as well as a variety of activities every afternoon so that all children enjoy themselves. Please remember that school hats must be worn at OSHClub. We follow the sun safe policy and we supply sunscreen factor 50 for all children at the program.

IMPORTANT: A quick reminder, please be sure that you are booking children in advance online. With the program growing, we need to know how many kids we will be having. Also please call or text any last minute cancelations as it is a safety precaution that we know where all children are that are enrolled for that session. If you have to book last minute please call the program number. If you have any questions or queries please call the program on 0400 394 489, alternatively feel free to pop into the program between the hours of 7:00 – 9:00am and 3:00 – 6:30pm and talk to one of our staff (Remembering that between 3:30 and 4pm is our busiest time and we might not be able to assist immediately). Parents who wish to enquire about OSHClub running a care program for preps on Wednesdays please contact Andy on 0400 394 489.

PLEASE CHECK YOUR ENROLMENT DETAILS ARE CORRECT AND AMEND ANY CONTACT NUMBERS.

Lastly we are also always collecting boxes and other recycled materials for the program so please feel free to bring them by. I am hoping to do more activities and programing with recycled products and teaching the children the importance of reusing items to help the environment.

Parent Information

OSH program phone: 0400 394 489
Coordinator: Andy
Assistants: Niki, Danette, Alyssa
OSHClub Head Office: 03 85649000

All families must be enrolled to attend the program, remember this is FREE! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
Dear Parents,

Kew Primary School will be launching itself onto the art scene with a splash for its first annual art show from Friday October 17 to Sunday 19 October 2014.

During the next eight months, the school will be abuzz with lead up events and lots of opportunities for KPS students to join in on the action.

Splash 2014 will kick off with a gala opening followed by a weekend of gallery viewing and sales, food, entertainment, family art activities and more. Splash is Kew Primary School’s first annual art show and will have an emphasis on good quality, affordable contemporary art by some of Melbourne’s most exciting, emerging and established artists. So, if you are going to buy art this year, wait until the art show and support your school.

Artists can submit up to six works and artworks will be available for sale during the weekend. Applications can be made via the online form at splashart.com.au and close Friday, April 25 2014.

Funds raised will be used to enhance school grounds and facilities and contribute to the on-going arts and cultural program available to students at Kew Primary School.

**Can you help?**

- Would you like to be part of the organising committee?
- Do you know an artist that might be interested?
- Are you involved with a local kinder and can take on a liaison role?
- Are you involved with a local art, dance or music group that can be involved in workshops on the family day?
- Would you like to run a stall or host an art, dance or music workshop?
- Would you like to provide stock, such as unique cards, prints, small sculptural pieces & ceramics, for the gallery shop?
- Can you assist with Splash finances by providing basic accounting updates?
- Are you able to provide photography for the event and lead up activities?
- Can your business provide assistance in areas such as catering, light & sound, security, MC/music, equipment rental, printing, real estate boards or art panel hire?
- Do you have any other product or service you can donate as door prizes?

If so, please contact convenor@splashart.com.au

Stay connected with Splash and [Like Us] on Facebook

Or [Follow Us] @SplashKew on Twitter
Sunday 23rd March
at the State Library of Victoria
and the Wheeler Centre
10am - 4pm

On Sunday 23rd March, find your way through the Sticky Maze and onto the lawns of the State Library where there’ll be characters springing to life from the pages of famous books, giant word games and loads more. The outdoor stage will keep you entertained with musical acts and stories from around the world.

Head down Little Lonsdale Street to the Workshop Zone, where authors and illustrators will show you the tricks of their trade.

Move inside the Library to meet some of your favourite authors and illustrators, and hear all about their books. Listen to stories all day long in our Storytelling Pavilion or dive in and help build the biggest book ever. If you fancy having a go at writing yourself, head to the Publishing House, where you can design a book from scratch.

Tickets
All events are free but we’re taking bookings for sessions with Terry Denton, Jackie French, Andy Griffiths and John Marsden from 1st March at wheelercentre.com. Get in quick – these sessions will book out. If you miss out, don’t worry, you can still bring your book along to be signed by your favourite author.

Final programme will be posted on Friday 14th March at wheelercentre.com and slv.vic.gov.au

HOW CRE CAN HELP YOUR CHILD

CRE can be an enjoyable way for your child to explore life’s big questions and to think about how they relate to other people and the world around them.

CRE stands for Christian Religious Education, and this program is provided to around 100,000 students in more than 750 primary schools throughout Victoria. CRE uses an educationally sound curriculum, with a teacher and student book, and its lessons include Bible stories, activities and discussion. CRE seeks to help students learn about the Christian faith and to consider positive values such as respect for others, compassion, integrity and self-esteem.

All students are welcome to attend CRE classes, whatever beliefs they or their families might have about religion, and all viewpoints and questions are treated with respect and courtesy. Even if students are not from a Christian background, it can still be helpful for them to understand the teachings, values and ideals of a religion that has played a major role in shaping Australia’s history and culture.

All CRE teachers are trained and accredited by ACCESS Ministries, have a Working With Children card, and are approved by the Department of Education and Early Childhood Development. CRE teachers give their time as volunteers.

If you would like your child to participate in CRE, please obtain a parental consent form from the school office. Further information about the CRE program can be found at www.accessministries.org.au. You can also ask your child’s class teacher for a copy of the CRE syllabus.
