# KEW PRIMARY SCHOOL

# ABOUT US

At Kew Primary School we provide a dynamic learning environment that inspires, engages and supports students to achieve their best and to become active, compassionate, lifelong learners. Our School Values of Community, Achievement, Resilience and Empathy underpin how we as a community of learners interact and C.A.R.E for one another.

We pride ourselves on a strong partnership between school and home. We offer a high level of community involvement and ongoing communication between families and teachers.

# OUR CURRICULUM

Our caring, professional and talented staff deliver a comprehensive education built around the core pillars of developing student literacy, numeracy and curiosity for learning. As an International Baccalaureate School that teaches the Primary Years Program, we focus on the education of the whole child and their place in the 21st century.

Our broad curriculum also offers experiences in Physical Education, Performing Arts, Visual Arts and French, all supported by an extensive array of learning technologies.
